Senior Class President John Gineris

The cane and chain, symbols of the senior class, were presented to John Gineris at last year's graduation.

As president, John's first responsibility was the organization of the junior prom. Also he selected the class motto and will plan the senior prom.

John is a member of the Student Council and the Future Farmers of America.

Student Council President Larry Spears

Last year, the student body elected Larry Spears as Student Council President for 1971-72. Larry is a member of chorus, Lettermen's Club, patrol, and Pep Club. He is also a valuable asset to our football and wrestling teams.

As president, Larry's duties are to preside at all meetings, appoint special committees, and work as chairman of the Grievance Committee.

Larry feels that the council "went all-out to administer to the student's needs and wants, instead of flooding them with the usual fun-time activities from which they gain no sense of achievement."

National Merit Scholarship Semi-finalists

PATRICK DAVIS

EDWARD REILLY

CHRIS STARBUCK

JANET R. WHITE

This year the National Merit Scholarship semi-finalists are Patrick Davis, Edward Reilly, Chris Starbuck, and Janet R. White. They were chosen on the basis of their scores on the National Merit Scholarship Qualifying Test. The semi-finalists are the highest scorers in their states. They constitute less than one percent of the graduating seniors in the United States. The semi-finalists demonstrate high intellectual capacity and readiness to develop their abilities.

Congratulations to Rick, Ned, Chris, and Janet!

D.A.R. Award Winners

The Daughters of the American Revolution sponsor the Good Citizens Award to be given to one girl and one boy of the senior class each year. This year's winners were Sara Anschuetz and Edward Reilly.

The award is given to the students who excel in the qualities of leadership, patriotism, service and dependability.

The society feels that they should pay tribute to these youths and call attention to those qualities which are desirable in good citizens.

Congratulations to Sara and Ed!

Our A.F.S. Student To Switzerland

Betty Rhoads, a member of the American Field Service, had the opportunity to take part in the Americans Abroad Program last summer. Betty visited Switzerland. She stayed with the family of Dr. Andreas Stettler from Wengen.

When Betty was asked to comment on her trip she replied, "My experience with the Stettler family last summer has given me a deeper understanding and awareness of the people and the world around me."

Bausch and Lomb Award

The Bausch and Lomb Award will be presented at graduation to Michael Cappel who has been chosen by the Science Department as the student with the best record and promise in the area of science.

As a winner of this award, Mike now becomes eligible to compete for the four-year Bausch and Lomb Science Scholarship at the University of Rochester.

Congratulations to Mike!

Rensselaer Award

This year the Rensselaer Award was presented to Steven Farrell who was chosen by the faculty of the Mathematics Department in his junior year as the most outstanding student in both mathematics and science.

As a senior, Steve is eligible to apply for the Rensselaer Polytechnic Institute, Troy, New York. Congratulations to Steve!

**Our A.F.S.

Peter Gnaegi**

Wow, look at that chick!

Peter gets in the Christmas spirit.

Peter with his American family.

This year Alton High is proud to welcome Peter Gnaegi from Bern, the capital of Switzerland. During his stay in America, Peter is living with the family of Mr. and Mrs. Leroy Fritz.

At Alton High, Peter is studying civilizations and humanities, French V, Physics I, calculus, and electricity. He enjoys hamburgers, football, basketball, and gymnastics. Attending concerts is one of Peter's favorite pastimes, and he is a very adept piano player.

Peter's stay here is sponsored by the American Field Service. The purpose of the A.F.S. is to promote fellowship among nations and expose the cultures of each. We have certainly enjoyed having Peter at A.H.S. and hope he has had a memorable year in Alton.

Peter fits right into the musical Fritz family.

Student Council

Row 1: Mr. Thompson, sponsor; Donna Waters, treasurer; Dick Stephens, parliamentarian; Chris Hellebush, recording secretary; Mrs. Kirby, sponsor.
Row 2: Mary Howard, vice-president; Gwen Hatfield, corresponding secretary.
Row 3: Larry Spears, president.

We had a very unique Student Council this year in that we focused most of our activities on disproving the common belief that the Council never does anything positive or meaningful for the students.

In our efforts to disprove this we initiated various activities such as:

- 1.) Solving the bus inconveniences of the students
 - 2.) Having music piped into a study hall
 - 3.) Helping to relieve some of the students' parking problems at the high school by providing more parking space
 - 4.) Forming the Redbird Club Association
- The council hopes that these activities mentioned and that the others still in planning will serve as a testimony of our efforts. The Council also thanks the faculty and most of all the students for their support and participation.

Junior Prom Decorating

Glowing, native masks and tropical murals covered the walls. A bridge was decorated with brightly colored flowers and a fountain bubbled — the Junior Prom became a "Hawaiian Holiday."

John Gineris, Master of Ceremonies, announced our Dream Girl and her court. Miss Betsy Godfrey was escorted by Jeff Joyce; Miss Mimi Hays was escorted by Paul Rowse; Miss Carla Kruse was escorted by Bob Georges; Miss Marilyn Mueller was escorted by Kent Caskey; Miss Patti Roderfeld was escorted by Mike Rainier; Miss Barb Shaw was escorted by Cameron Goss; Miss Barb Smith was escorted by Kim Shearburn; Miss Lisa Spence was escorted by Ed Rylie; and our Dream Girl, Miss Corby McAfoos, was escorted to her throne by Art Andrew.

Too bad he fell. He was such a nice guy.

"Hello, Dolly!"

Based on Thornton Wilder's play, "The Matchmaker," "Hello, Dolly!" is an irresistible story of the joy of living, glittering with gay songs and happy scenes and alive with the personality of one of the most fabulous characters on the musical stage . . . Dolly Gallagher Levi

"Hello, Dolly!" was written by Michael Stewart and the music and lyrics were written by Jerry Herman. This combination has made "Hello, Dolly!" one of the greatest musical comedies ever presented.

"Wait Until Dark"

"Wait Until Dark," a mystery drama by Frederick Knott, is a masterfully constructed thriller that moves from one moment of suspense to another as it builds toward an electrifying, breath-stopping final scene. The focus of the action is an attempt by a trio of underworld figures to recover a heroin-filled doll which has been innocently brought across the Canadian border by a young commercial photographer. The pawn in the game is the photographer's blind wife who, alone in their Greenwich Village apartment, falls prey to the criminals' diabolic and ruthless determination to regain their sinister prize intact.

Playing one of the most rugged schedules in Alton High history, this year's football team finished with a winning 6-3-1 record, 2-2-1 in the conference.

The Redbirds were the victors in their opening game with Wood River with a score of 45-12. The next week at home, Alton stomped the highly ranked Chicago Austin team with a 28-8 win. In the following game at East St. Louis, they bowed to the Flyers, 19-0. The Big Red's battle with another tough team, the Granite City Warriors, ended in a 0-0 stalemate. In their homecoming game, the Redbirds turned back the Peoria Central Lions, ranked eighth in the state, with a score of 22-13. The following week Alton continued its undefeated homestand by defeating the Edwardsville Tigers, 43-14. Traveling to Belleville West to take on the area's top-ranked Maroons, Alton suffered a 20-14 loss. Returning to Alton, the Redbirds remained unbeatable at home by edging out the Collinsville Kahoks, 22-20. Fans who traveled to Miami, Oklahoma, saw a terrific game as Alton beat the Miami Wardogs, the number one team in Oklahoma, with a 32-26 triumph. The season closed as Alton was defeated by Belleville East with a 35-14 decision.

We recognized the coaching staff of Mr. Ed Yonkus, Mr. Norm Iman, Mr. Roy Thorpe, Mr. Leroy Beck, Mr. Pete Stavros, Mr. Felix Macias, and Mr. Ron McIntire with gratitude for guiding the 1971 team to a winning season at Alton High.

Alton High's 1971 cross country squad retained their position as a potent power in southern Illinois competition. The coaches, Mr. Jim Wigger and Mr. Bill Diddleback, continued their usual fine efforts, steering the team to some noteworthy victories.

The season began when Alton captured first place in the fourth annual Big Ten Invitational. The following week Alton finished second to a tough Centralia team at the Columbia Invitational. Three days later Alton defeated Belleville East in dual competition. Alton placed second in the next four meets: the Belleville West Invitational, the Jacksonville meet, the Edwardsville Invitational, and the Kirkwood-Lindbergh Invitational. Alton won successive meets with Belleville West and East St. Louis, before placing twelfth in the tough Peoria Invitational. The Alton Harriers triumphed over Collinsville and Lincoln, took second in a meet against Centralis, and placed fourth in the Beaumont Invitational.

As they reached the climax of the season, the Alton team finished strong, winning the Conference meet, the District meet, and the Sectional meet. As a result of their success at the Sectional, the Harriers qualified for state competition. Richard Evans, Ron Bligh, Mark Swift, Ken Johnson, Steve Harrison, Art Andrew, Lindell Hicks, and John Gerhardt represented Alton at Peoria, placing fourteenth in the state. Also aiding the 1971 campaign were Gary Kochan, Neil Bohlman, Eugene Hack, Ned Reilly, Paul VanHynning, Keith Dooley, and Randy Seymour.

This year's undefeated sophomore squad shows great promise for continuing Alton's successes. This outstanding group included: Darryl Kelly, Jim Boswell, Alan Perry, Steve Hoke, Craig Perica, and John Herndon.

The 1971-72 Basketball Redbirds have already begun what appears to be another fine season. Under coaches Mr. Ralph Sterrett, Mr. Ron Miller, and Mr. Glen McPherson, the team has thus far compiled a winning record. This year's team has great height and depth. Transfer student Matt Hinrichs and senior Vince Jeffries are also main parts of the Redbird machine. Juniors seeing varsity action this year are Lafayette Collins, Bart Harrison, Clarence Hightower, and Craig Nilsson.

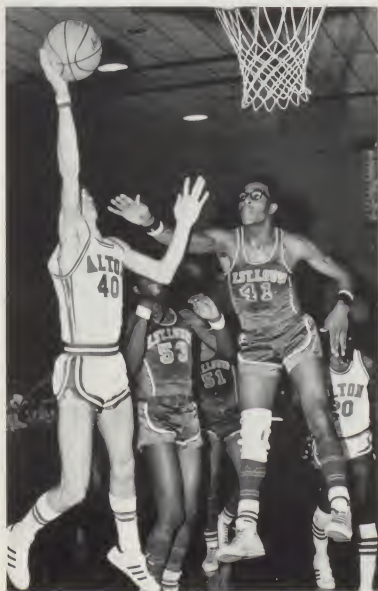

The season opened with a decisive conference victory over East St. Louis, 65-54. Traveling to Jacksonville the next night, the Redbirds suffered a 74-57 loss. The cagers were quick to redeem themselves by winning the next five games in a row over Edwardsville, 76-75; Belleville East, 66-59; Collinsville, 81-50; Cahokia, 75-54; and again Edwardsville, 79-75.

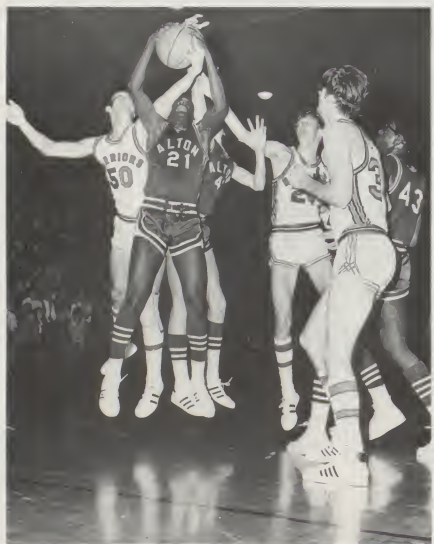

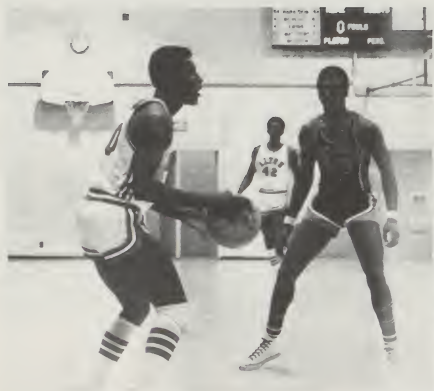

At the Holiday Tournament in Carbondale, the Redbirds lost in the first round to Peoria Manual, 71-54; won the next two rounds over Marion, 98-52, and Lawrenceville, 69-67; and lost their final game to Collinsville, 76-64. Returning home, the Redbirds faced two highly ranked conference teams, the Belleville West Maroons and the Granite City Warriors. In hard-fought, back-to-back games the cagers lost to Belleville, 61-60, and to Granite City, 78-75.

Thus far in the season Alton High's Redbirds are 4-2 in the conference and 8-5 overall with nine games and the Belleville East Tournament remaining.

ADMINISTRATION

DR. BOYD MITCHELL
Superintendent of Schools

In the midst of many social changes and the rush toward technological progress we must not lose sight of those objectives of our founding fathers which have made America great.

To perpetuate the beneficial ideals of the past and to look realistically to the future the most important activity for each individual is the continual improvement of mind, soul and body. The purpose of education in our country is to help each person in this self-improvement.

The right to a good education entails the responsibility to take advantage of as many of the opportunities offered in our schools as one's ability permits.

Every individual is capable of achieving success in some activity and making a positive contribution to our society.

Counseling

High school students in our society today have greater educational opportunities and advantages than in any previous generation. They are also faced with more problems, more decisions, and frustrations than at any other point in our history. The high school counselors and the counseling program exist only as a means to provide communication, and interpretation to the school, the student body, parents, and agencies or individuals who can contribute something for the betterment of the student involved. Even though the high school enrollment is quite large, each student is equally important in an approach by which a counselor strives to assist a student through a maze of constantly changing educational and vocational requirements. Counselors have a personal interest in trying to help the student understand and benefit from these experiences.

MATTIE JEAN LUCAS

MONICA LYNN MOORE

May 26, 1956 — December 4, 1971

"Hurry up, here comes that little girl."

"Did you hear the one about . . . ?"

This must be a sophomore gym class.

"They're going that way."

The girl-watchers watch . . .

"Yes, but it will cost you."

Peek-A-Boo!

"I gave of the office."

"Gosh, I wish I could find my lunch."

"This is my 15th tordy. I've got to make it."

"We're the most beautiful guys in the world."

"I think I'll switch to Ban."

"If he's gonno suck his thumb, I'll
look the other way."

"Maybe if I slow down a little bit, he'll catch me."

The seniors take you higher!

"Cheerios gave me GO-O-O power."

"Hi, world!"

"Will you let go of me? I don't want my picture taken."

"Some people have funny ways of getting in back of the wheel"

"You mean I'm getting a skip for taking two lunch hours!"

"If she thinks I'm going to walk with her, she's crazy."

"Don't get so huffy, I just don't want to get wet."

"He'll never know we took a few cards."

Senior propaganda.

"This is carrying out 'No dress code' just a little too far."

"I just take the picture!"

"No pins! Please!"

"This is the life!"

"If you touch one lock of my hair, I'm going to strip your geors."

"We've got spex appeal."

"She'd better not sit by me."

Powlll

Follow the leaders.

"Someday when I grow up, I'll be a football player, too."

"Acid? Water? Hehl Hehl!"

Editor's Message

To the student body of Alton Senior High School:

On the preceding pages, the TATLER has captured many events of the 1971-72 school year. The purpose of this yearbook is to remind us how we spent our high school years. We have made many friends, developed new interests, and learned how to think; our lives have been centered around our school. In the future we will be able to look back and remember accomplishments, activities, friendships, and our own feelings — good and bad.

The TATLER is the result of many hours of hard work. I would like to thank the staff for their contributions to this yearbook. Special recognition is deserved by Lief Anderson, Debbie Jones, and Mr. Dale Livengood. Both Lief and Debbie have spent two years on the TATLER staff, and this year they have been fine co-editors. Mr. Livengood has devoted much time and effort into guiding the staff in making this book. Without his help and advice we could not have met the high standard of expectation which you, the student body, set for the 1972 TATLER.

A handwritten signature in dark ink, reading "Sara Anschutz". The script is fluid and cursive, with the first letter 'S' being particularly large and stylized.

And so each venture is a
new beginning.

A lifetime burning in every moment.

The world becomes stranger, the
pattern more complicated.

For us, there is only the trying.

T. S. Eliot

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.1 million (Office for National Statistics 1999). The number of people aged 65 and over is projected to increase to 6.5 million by 2011, and the number of people aged 75 and over to 3.5 million (Office for National Statistics 1999).

There is a growing awareness of the need to develop services to meet the needs of older people, and a number of initiatives have been developed to address this need. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and support they need; and (3) to ensure that older people are treated with respect and dignity.
